About Us

Welcome to REAL MARKETING. " YOUR GATEWAY TO FINANCE & EDUCATION EXCELLENCE "REAL MARKETING is committed to empowering people to Economics with conference in an innovative & reliable environment in Finance & Education Sector. An ISO 9001:2015 Certified E-Learning Platform provides premium financial education courses in the vernacular languages for the masses. With an all-inclusive approach towards affiliated market & Digital marketing education, Real Marketing offers interactive and personalized learning process to help the students to develop necessary analytical skills and concepts. Digitally enabled practices with expert trainers help them to successfully work in the financial market. All Members of Real Marketing are young and enthusiastic adopters of digital marketing and digital technologies with many years of experience. Before starting Real Marketing we have developed and traded several financial services and products which have helped the society and various types of customers. In 2022-2023 we decided to register Real Marketing organization. For this we have done a whole 2+ year market research, after which all the problems common customers are facing in the market. Since the beginning, we have prioritized easy solutions and proper customer support and security. Simple user friendly interface for our customers, simple system for membership registration. Our ADMIN and software development team and telephone support team are active 24 hours to help customers easily and accurately. Our commitment is to earn and establish customers in the right way with the right technology. Bettering society and the world.

Our mission & Vision :
